Pawn Report - Summarized

Availability: All CompuPawn systems.

Inputs Used: Determine parameters (Date, Employee, etc.)

• *Start Date / End Date* = {Date Range}

• *Detail (Y/N/S/M)* = {S}

Example: This report gives a summarized description of each transaction listed showing a partial description of the individual items associated with each transaction. An even more abbreviated version of the report is obtained by entering N for the *Detail (Y/N/S)* input field to obtain sub-totals only without transaction detail.
